This is a rendering and is subject to change.

Since the late 1950s, the Open Class Sheep Barn had held many memories and has been an important part of the culture of the South Dakota State Fairgrounds. The **'RAISE The SHED'** campaign is a collective effort by the community to build a new sheep and multi-purpose facility for the next generation of fairgoers to enjoy!

To make sure the camaraderie, world class shows, and celebrations carry on for generations to come, a task force of sheep industry and fair representatives has been meeting to formulate a plan for what type of facility will be needed to showcase the fair's world class sheep exhibitors, their breeds, and to accommodate other events.

The planned multi-use facility will foster further development and growth of our state's future leaders in the agriculture industry. The facility, covered by an acre of rooftop, will include a show arena, 400 pens, an educational center, bleachers, concrete flooring, and restrooms. The indoor educational center will provide an indoor place for interactive learning, information on the sheep industry, opportunities in agriculture, and our state's rich agricultural history.

We all need to work together to **'RAISE The SHED'** , so we are excited to kick off the fundraising effort to build a new sheep and multi-purpose facility at the South Dakota State Fairgrounds. To build a facility that we can be proud of and will last for generations to come, we need to raise $3 million. Please consider supporting this effort through one of the many options outlined below. We look forward to working with you to build **The SHED**!

NAMING OPPORTUNITIES	INVESTMENT
Show Arena Naming Right (includes outside signage on North and South side of the building)	$500,000
